VI OLD BUSINESS

VII GENERAL BUSINESS

Mark Hunt from Wilo came in and demonstrated the Stratos ECM. He gave a presentation on what the differences are between ECMs and VCDs. He had a working display that gave a visual of how these performed under various conditions.

The workshop brought in good numbers for everyone involved: \$1230 for Ct Geo; \$658 for NEGPA; Exhibitors brought in \$1150; and Waterfurnace paid \$1500 for the dinner sponsor. This brought a profit of \$2263.

The North Central Energy Expo will be held on October 4th at the Suffield High School.
